SYBOKHAARMARKVERSLAG - MOHAIR MARKET REPORT
18 Augustus / August 2020

MARKANALISE

Die eerste sybokhaarveiling van die 2020 winter verkoopseisoen is vandag, die 18de Augustus 2020, in Port Elizabeth aangebied. Met 'n eerste veiling van die seisoen is daar baie oorgangs hare met groot kwaliteitsverskille wat dit moeilik maak om te kwoteer. Daar was beperkte belangstelling in haar met saad en baie min is verkoop. Pryse van bokkiehaar het met 12% gedaal en 'n markaanwyser van R405.89/kg met 90.0% verkoop; jongbokhaar daal met 4.4% met 'n markaanwyser van R219.85/kg en 'n verkoopsentasie van 90.4%. Grootbokhaar styg met 2.0% met 'n markaanwyser van R167.43/kg en 75.1% verkoop. Dit het die totale verkope op 83.5% te staan gebring met 'n markaanwyser van R224.82/kg wat 'n daling van 4.9% is. Die beste prys van die dag het aan OVK PureCape Bins gegaan wat R553.00/kg vir somer tipe kleinbokkiehaar behaal het. Samil was die koper.

MARKVOORUITSIG

Die vooruitsig vir die komende veiling is dat die pryse van saad tipe haar, grootbokhaar en dié van sterk jongbokhaar steeds onder druk gaan verkeer terwyl die van fyn jongbokhaar en winter kleinbokkiehaar onveranderd op huidige vlakke gaan verhandel. Die volgende veiling word in Port Elizabeth aangebied op 8 September 2020. So berig Etienne Bezuidenhout, OVK Sybokhaar Bestuurder.

OVK bied voorskotte op vesel wat by ons gelewer word, asook produksielenings. Skakel gerus die OVK Veselkantoor in Port Elizabeth of u Tegnieuse Veldbeampte vir meer inligting. Vind ook meer uit oor die opwindende nuwe kommissiestruktuur op vesel bemark deur OVK. Producente word ook herinner aan die lojaliteitskema van OVK, waar boere beloon word met 23.9 sent vir elke kilogram vesel wat deur OVK bemark word.

MARKET ANALYSIS

The first sale of the 2020 winter season took place in Port Elizabeth today, the 18th of August 2020. The first sale of a season is always mixed qualities and difficult to quote. There was limited competition on seedy mohair and very little was sold. The average market indicator closed on R224.82/kg. Price levels were lower for kid mohair, slightly lower for young goats and considerably higher for adults. The price of kids decreased by 12.0% with a market indicator of R405.89/kg and a 90.0% sale clearance; young goat hair decreased by 4.4% with a market indicator of R219.85/kg and a sale clearance of 90.4%. Adult mohair increased by 2.0% with a market indicator of R167.43/kg and 75.1% sold. This brought the overall sale clearance to 83.5% and the overall market indicator to R224.82/kg which is a decrease of 4.9%. OVK PureCape Bins fetched the highest price of R553.00 today for summer kids. Samil was the buyer.

MARKET OUTLOOK

It seems as if there will still be some pressure on seedy, adults and strong young goats whilst the fine young goat and winter kids will be unchanged and sell on current levels for the coming sale. The next sale will be held in Port Elizabeth on the 8th of September 2020. So reported by Etienne Bezuidenhout, OVK Mohair Manager.

OVK offer advances on fibre delivered in PE, as well as production loans. Please contact OVK Fibre's office in Port Elizabeth or your Technical Field Officer for more information. Please enquire about OVK's exciting new commission structure on fibre marketed by OVK. Producers must also bear in mind that OVK's loyalty scheme awards farmers 23.9 cents per kilogram on fibre marketed by OVK.
