

On the OVK auction, 1920 bales were offered, of which 97.71% were sold. The highest price on the OVK auction of R225.50 /kg (clean price: R304.61), was achieved for a 1 bale lot AFY of 15.4µ from the clip of Diereproduksie Navorsing Trust from the Caledon district. The buyer was Standard Wool SA. Congratulations on the achievement. This is a season best price on the South African Wool Auction!

Both the South African, as well as the Australian Market, were treading water this week, with slight changes from last week mostly caused by currency.
