DOHNE MERINO TELERSGENOOTSKAP VAN SA  
DOHNE MERINO BREED SOCIETY OF SA

Die taak van die Genootskap se lede is om ramme te teel, maar nie sommer enige ramme nie. Ons teel ramme wat INSTAAT is om PRODUKTIWITEIT te VERHOOG en dus die WINSGEWENDHEID van die wolskaap-kuddes in Suid Afrika.

Dohne telers skenk in die seleksieprogram aandag aan eienskappe met kontant waarde. Dit sluit in reproduksie, lamgroei tempo, moedereienskappe en Merino wolproduksie. Nie alleen meet Dohne telers hierdie belangrike eienskappe van hulle skape wat die akkuraatheid van seleksie verdubbel nie, maar hulle pas die mees doeltreffende teelbeginsels en bestuurstechnieke toe om te verseker dat die vordering vinnig en deurlopend is.

Dohne telers werk as 'n span. Spangees, entoesiasme en toewyding is kenmerkend van almal. Dit is die redes vir die sukses van vele projekte wat die Genootskap onderneem. Dit is ook die rede vir die fenomenale sukses van die DOHNE MERINO skaapas.

**DEUR DOHNE MERINO RAMME TE GEBRUIK KAN U OOK AANSLUIT BY HIERDIE KRAGTIGE HULPBRON VAN HOËR KUDDEPRODUKTIWITEIT**

The business of the members of the Society is to breed rams. But not just any rams - we breed sheep which are CAPABLE of INCREASING the PRODUCTIVITY, and therefore the PROFITABILITY of woolled sheep flocks in South Africa.

Dohne Merino breeders pay attention to cash value characteristics in their selection programs. These include reproduction, lamb growth rate, maternal ability and Merino wool production. Not only do Dohne Merino breeders measure these essential characteristics in their sheep, thus doubling the accuracy of selection, but they also apply the most effective management techniques and breeding principles to ensure that improvement is both rapid and continuous.

Dohne Merino breeders operate as a team. Team spirit, enthusiasm and dedication are features common to them all. These are the reasons for the success of the many projects undertaken by the Society. They are also the reason for the phenomenal success of the DOHNE MERINO sheep.

**BY USING DOHNE MERINO RAMS, YOU TOO CAN PLUG INTO THIS POWERFUL SOURCE OF HIGHER FLOCK PRODUCTIVITY.**

*Die Skaap vir die huidige ekonomiese klimaat  
The Sheep for the current economic climate*

## VOORSPELDE TEELWAARDES (VTW'S)

Teeltwaardes vir ramme in hierdie katalogus is uit 'n nasionale rasantleding verkry. Hierdie tussen-kudde evaluering maak teeltwaardes van alle diere vergelykbaar.

### INTERPRETASIE EN TOEPASSING:

As voorbeeld, kan ons die VTW veseldikte van 2 ramme neem. Indien ram A 'n negatiewe VTW van -1.5 mikron het en ram B ook 'n negatiewe VTW van -0.3 is die relatiewe genetiese verskil -1.2 mikron. Die veseldikte van ram A se nageslag sal onder gelyke omstandighede waarskynlik  $-1.2 \div 2 = 0.6$  mikron fyner wees as dié van ram B. (Ons deel die totaal deur 2 aangesien die ram en die ooi elkeen slegs 50% van hulle gene aan die nageslag oordra).

VTW's toon verskille tussen diere in absolute waardes aan nl. kg of mikron (Veseldikte). Speengewig VTW's word aangedui as speen direk (individue se direkte genetiese meriete om vinnig te groei tot op 100 dae ouderdom) en speen maternaal (die gedeelte van elke individu se meriete op 100 dae ouderdom wat toegeskryf word aan die genetiese vermoë van die dier se moeder). Speen direk en speen maternale VTW's word in die verhouding van 1 : 2 ingesluit in die seleksie indeks om die **Algemene Meriete (AM)** van elke dier te bepaal. AM weerspieël die **groei vermoë** van die Dohne Merino's tot op 100 dae ouderdom soos gebalanseer met wolproduksie en wolkwaliteit (veseldikte).

Die teeltwaardes vir reproduksie word onafhanklik van algemene meriete aangedui as getal lammers gespeen per ooi gelam. Hierdie teeltwaardes word bereken deur alle lammers per ooi leeftyd in ag te neem. Dit word dus uitgedruk as die persentasie verandering wat per ooileeftyd verwag kan word (byvoorbeeld + 1.431 persent lammers meer speen per ooi gelam per ooileeftyd).

Relatiewe belangrikheid in populasie	Verwagte voorspelling:
Boonste 10% van die eienskap	Baie <b>goeie kans</b> dat hierdie dier die eienskap in jou kudde sal verander. (Veseldikte sal sterker word)
Boonste 40% van die eienskap	Bo gemiddeld. Daar is 'n <b>moontlikheid</b> dat hierdie dier die eienskap in jou kudde sal verander. (Veseldikte sal sterker word)
Tussen onderste 40% en boonste 40% van die eienskap	Gemiddeld: Daar is 'n <b>moontlikheid</b> dat hierdie dier die eienskap in jou kudde min sal verander.
Onderste 40% van die eienskap	Onder gemiddeld: Daar is 'n <b>moontlikheid</b> dat hierdie dier die eienskap in jou kudde sal verander (moontlik verswak) en veseldikte sal fyner word.
Onderste 10% van die eienskap	Ver ondergemiddeld: Baie <b>goeie kans</b> dat hierdie dier die eienskap in jou kudde (waarskynlik) sal verander (verswak) en veseldikte sal fyner word.

VTW = Voorspelde Teeltwaarde  
AM = Algemene Meriete

LM = Liggaamsmassa / SVM = Skoonvagnmassa / VD = Veseldikte  
Par/Lam = Aantal parings en lammers geproduseer deur moeder.

### Basisjaar:

Die basisjaar vir teeltwaarde vergelykings verskuif elke jaar sodat VTW vergelykings in verhouding bly tot tot die huidige populasie geregistreerde Dohne Merinos. Let op dat VTW's dinamies is en verander namate produksie-inligting oor verwante diere vermeerder. Die algemene meriete (AM) van diere verander dus voortdurend en raak meer akkuraat en betroubaar.

## ESTIMATED BREEDING VALUES (EBV's)

Breeding values for rams in this catalogue were obtained from a national breed analysis. The result of this across flock comparison is that EBV's of all animals in this catalogue can be compared.

### INTERPRETATION AND APPLICATION

Take for example the EBV of the fibre diameter for two rams. **If ram A has a negative EBV of -1.5 micron and ram B also a negative EBV of -0.3, the relative genetic difference will be -1.2 micron. Under similar circumstances the progeny of ram A will in all probability be  $-1.2 \div 2 = 0.6$  micron finer than that of ram B.** (We halve the result because rams and ewes each contribute only half the genes to their progeny).

EBV's express differences between animals in absolute terms viz. Kg. or micron (fibre diameter). Weaning weight EBV's are expressed as Weaning direct (the individual's own ability to grow up to 100 days of age) and weaning maternal (the portion of each individual's merit at 100 days of age that is ascribed to the genetic mothering ability of the specific individual's dam). Weaning direct and weaning maternal EBV's are included into the selection index, in a ratio of 1 : 2 in order to estimate the **General Merit (GM)** of each animal. GM reflect the Dohne Merino's ability to grow fast up to 100 days of age as balanced against wool production and wool quality (fibre diameter).

Breeding values for reproduction are expressed in terms of number of lambs weaned per ewe lambing, independently from general merit. These breeding values are calculated by taking into account all lambs weaned per ewe lifetime. It is therefore expressed as the percentage change per ewe lifetime to be expected. For example, +1.431 percent lambs weaned per ewe which lambing per ewe lifetime.

Relative importance in population	Expected prediction:
Top 10% of trait	Very <b>good chance</b> that animal will change this trait in your flock (fibre diameter will increase).
Top 40% of trait	Above average. <b>Possibility</b> that this animal will change this trait in your flock (fibre diameter will increase).
Between bottom 40% and top 40% of trait	Average: <b>Possibility</b> that this animal will effect little change in this trait in your flock.
Bottom 40% of trait	Below average: It is <b>possible</b> that this animal will change the trait (probably deteriorate – but fibre diameter will decrease) in your flock.
Bottom 10% of this trait	Far below average: <b>Very good chance</b> that this animal will change the trait (probably deteriorate – but fibre diameter will decrease) in your flock.

**EBV** = Estimated Breeding Value  
**GM** = General Merit

**BWT** = Body Weight / **CFW** = Clean Fleece Weight / **FD** = Fibre Diameter  
**Mat/Lamb** = number of matings and lambs produced by dam

### Base year:

The base year for breeding value comparisons shifts every year to facilitate comparison of EBV's to the current alive population of Dohne Merinos. Note also that EBVs are dynamic and change, depending on the accumulation of production data measured on related animals. General Merit of animals therefore change continuously and becomes more accurate and reliable with time.

**TERMS AND CONDITIONS OF SALE IN RESPECT OF SALES BY  
HENTIQ 2003 (PTY) LTD (1999/023915/07)  
Trading as VLEISSENTRAAL BETHLEHEM**

(Hereinafter referred to as the "COMPANY")

1. All goods and livestock (hereinafter referred to as the "assets") are sold by the Company as agent on behalf of the Seller, who hereby authorises the Company to collect the purchase price from the Purchaser.
2. The Seller warrants that there are no encumbrances on such assets, that the said assets are the property of the Seller, and that the Seller is competent and legally entitled to dispose of the assets. The Seller further warrants as against the Purchaser that the assets are free of patent and latent defects
3. The Company accepts no liability for any withdrawal of assets from sale, or for any express or implied statements or guarantees which may be given verbally by its agents or employees, or by the Seller.
4. The Seller, who offers the assets for sale, accepts all liability regarding the information furnished as to pedigrees, ages, dates of service, state of health or gestation or any other particulars which might be incorrect. In the event of any dispute the Purchaser shall only have a claim against the Seller and not against the Company.
5. In the event that the Company agrees to finance the sale of the assets ("the finance agreement") then the following shall apply:
  - 5.1 The finance agreement shall only take effect upon payment by the Company to the Seller of an amount equal to the purchase price of the assets, less any amounts owing by the Seller to the Company in connection with the sale;
  - 5.2 Upon payment of the amount referred to in 5.1 above the Seller's right, title and interest in and to any claims and other rights as against the Purchaser in terms of or connected with the sale of the assets shall forthwith be ceded and transferred to the Company.
  - 5.3 Should the Purchaser refuse or otherwise fail to pay the purchase price within 7 days from the date of the payment referred to in clause 5.1 above, the Company shall be entitled to:
    - 5.3.1 claim interest from the Purchaser at the maximum rate permissible at the time in terms of the Usury Act 73 of 1968, calculated from date of purchase to date of settlement; and/or
    - 5.3.2 repossess the assets, to resell same at the risk of the defaulting Purchaser who shall be liable for all costs in connection with the resale and any loss or damage incurred and will not be entitled to any profit that may arise from the resale; and/or
    - 5.3.3 institute legal proceedings for the payment of any amount owing or for the return of the assets in which event the provisions of clause 5.3.2 will apply;
    - 5.3.4 recover the Company's legal costs calculated at the Attorney and own Client tariff as well as collection, tracing, storage and transport costs; and
    - 5.3.5 retain in pledge any assets or other property in the possession of the Company belonging to either the Purchaser or the Seller as security for the due fulfilment of any obligation owed by the relevant party to the Company.
6. The Seller warrants as against the Company that the assets are free of patent and latent defects and that any right or claim ceded to the Company in terms of these terms and conditions is free of any defect or right of deduction or set-off, and that the said right or claim is fully and immediately enforceable against the Purchaser.
7. The Purchaser shall not be entitled to withhold payment of the purchase price to the Company as a result of any possible or pending claim that he may have against the Seller on the grounds of misrepresentation or for any other reason whatsoever.
8. In the event where Purchasers must register at an Auction, and such a registered Purchaser allows another person to purchase on his buyers card, the registered Purchaser shall be liable for payment of such purchases. No bid by an unregistered Purchaser will be accepted by the Company and the Purchaser will have no claim to any of the assets allegedly purchased by him.
8. Subject to any reserve placed on any of the assets by the Seller, and the provisions of clause 12 and 13 below, the Purchaser at any sale shall be the highest bidder indicated by the Company's auctioneer by the fall of the hammer or by such other means as he may select.
10. All assets shall, immediately after the bid being knocked down, be deemed to have been delivered to the Purchaser.
11. All profit, loss or risk in the assets will pass to the Purchaser once it has been delivered to the Purchaser who shall at this own risk and expense remove it from the sale venue.
12. Should a cartage contractor remove any assets from the sale venue on instruction of the Company, the contractor will be deemed an agent of the Purchaser who accepts all costs and risks connected with such removal.
13. The auction shall take place under the exclusive control of the Company. The Company reserves the right, in its sole discretion, to refuse the bid of any person, to regulate the bidding, to indicate the highest bidder and to vary the order of the sale at any time without giving reasons therefore. If the auctioneer suspects that a bidder has not made a bona fide bid, or is unable to pay the purchase price or has not made satisfactory arrangements for payment of the purchase price, he may refuse to accept the bid of such bidder or accept it provisionally until the bidder has satisfied him that he is in position to pay the purchase price or that he has made satisfactory arrangements for payment thereof. On refusal of a bid under such circumstances the assets may immediately be re-auctioned.

14. In the event of a dispute arising amongst the bidders, the assets in dispute shall, at the sole discretion of the Company, be re-auctioned.
15. The Company shall not be liable for loss or damages caused to, or sustained in respect of any action by, the Company or its helpers, employees or agents, notwithstanding an undertaking to care for or attend to, to despatch or deliver the assets. All assets are sold to the Purchaser "voetstoots" and the Company shall not be liable for any defects, latent or otherwise which might exist with or without the knowledge of the Company.
16. The Purchaser shall, prior to the sale, ascertain whether there are any defects in the assets and any bid by a Purchaser shall be considered as acceptance of the assets with any patent or latent defects in their condition at the time of sale.
17. The purchase price is payable in cash or payment by bank guaranteed cheque only. All payments for purchase must be made directly to the Company prior to removal of the assets, unless specific and satisfactory credit arrangement is confirmed in writing by the Company.
18. The Company reserves the right to refuse any cheque as payment.
19. Notwithstanding delivery, ownership of the purchased assets will not pass to the Purchaser until the full purchase price plus interest, if payable, is paid.
20. Until payment of all amounts owing by the Purchaser are paid in full, the Purchaser hereby:
  - 20.1 irrevocably undertakes to identify the purchased assets in such a manner that he can at any time identify and indicate the assets deemed to be the property of, and pledged to, the Company.
  - 20.2 grants the Company access at all reasonable times to the premises where the assets are stored for the purposes of perfecting its pledge and exercising any other rights in terms of these terms and conditions.
21. Where no finance agreement is entered into, on the fall of the hammer and subject to confirmation of the sale, the Seller in any event cedes and assigns all his rights, including the right to institute legal action and reclaim possession and/or ownership of the assets to the Company, who accepts cession and assignment thereof, in order for the Company to collect the purchase price. Should the Purchaser fail to pay the Company upon demand then the Company shall be entitled to exercise the rights set out in clauses 5.3.1 to 5.3.5 (both inclusive) above.
22. The Purchaser and the Seller hereby consent to the jurisdiction of the Magistrate's Court in terms of Section 45 of the Act on Magistrate Court (Act 32 of 1944 as amended) for any action instituted by the Company against the Purchaser although the Company is entitled to institute litigation in any competent Court.
23. The entries made in the Company's auction roll shall be prima facie evidence of the transaction and shall be binding on the Seller and the Purchaser.
24. A certificate issued by a Manager of the Company shall be prima facie proof of monies owing by the Purchaser, or to the Seller or the Company.
25. Any person who purchases on behalf of a principal must furnish the Company with a power of attorney prior to the commencement of the sale failing which he will personally be liable for payment of any purchases made by him. The person bidding on behalf of or signing any document on behalf of the Purchaser pursuant to a successful bid thereby binds himself personally as co-principal debtor with the Purchaser for payment of the purchase price and personally guarantees all the obligations of the Purchaser under these terms and conditions.
26. Any extension of payment or concession granted by the Company to the Purchaser will not prejudice the rights of the Company in terms of these conditions and such extension or concession will not constitute an amendment or waiver or novation of these terms and conditions.
27. All persons entering the sale venue do so at their own risk and the Company shall not be liable for any injuries, damages or losses of any nature whatsoever.
28. The Company reserves the right to amend these conditions of sale in writing.
29. Any assets entered or offered for sale on the day of the auction are subject to payment of the usual **[NOTE : BETTER TO SPECIFY % COMMISSION]** commission by the Seller to the Company at the rate customarily charged by the Company from time to time, whether the assets are sold at the auction or thereafter, with or without the knowledge of the Company, but as a result of this auction. Commission shall become due and payable by the Seller upon the fall of the hammer, notwithstanding any breach on the part of the Seller.
30. In the event of registered vehicles being sold by the Company, it is a specific condition that the Company does not guarantee the information regarding the vehicles and does not undertake to furnish the transfer documents and registration certificates to the Purchaser. The Purchaser shall be responsible to obtain the aforementioned documents and shall not be entitled to withhold payment due to a failure on the part of either the Company or the Seller to furnish the documents.
31. Any agreement contrary to these conditions of sale shall not be binding unless it is confirmed in writing and signed by a Manager of the Company.
