

Voorwoord Katalogus 2021

Ons bevind onself in ongekende tye en omstandighede agv die wêreldwye pandemie en onluste in die land. Ons is baie dankbaar dat elkeen die tyd afgestaan het om ons 9de Produksie veiling by te woon, te midde van lang afstande en die koue. Jul teenwoordigheid word opreg waardeer.

Reënval die afgelope seisoen was baie goed en die oeste in die grootste dele van die land is vër bo gemiddeld. Die Braford's het besonder goed presteer in die nat toestande en ons is baie dankbaar dat ons geen ernstige siektes in die kudde gehad het nie. Alle dank en eer aan ons Hemelse Vader vir soveel seëninge.

Jaar na jaar verbeter ons kudde en die aanbod van ons bulle, meestal agv groter getalle wat lei tot hoër seleksie druk. Die aankoop van nuwe genetika word jaarliks gedoen omrede ons glo dat dit lei tot die kudde se lewenskragtigheid itv basterkrag. Ons doen verder alles in ons vermoë om aan streng seleksie vereistes te voldoen. In n neutedop, die Braford's is hoogs vrugbare medium raam koeie met uitsonderlike melk eienskappe. Sodanige koeie moet kalwers speen wat minstens 48% weeg van hul moeders se gewig by speen. Verder bly die klem op die seleksie van funksioneel doeltreffende medium raam bulle wat oor die volgende beskik: wyd aangepas, voldoende diepte en breedte om vleis aan te pak, n gladde huid, matige skede en bo-gemiddelde grootte skrotum.

Ons opregte dank aan almal (kopers, belangstellendes, familie, vriende, dames wat behulpsaam was met tee en verversings, arbeiders en die OVK span, in besonder ons afslaer PM wat gehelp het om hierdie dag moontlik te maak. Ons vertrou dat die nuwe eienaars van die diere net so tevrede gaan wees met hul aankope soos ons. Moet asb nie huiwer om ons te kontak as julle vrae en/of kommentaar het.
